

2019 PWN Board:
 Jenna Black
 Melissa Glick
 Wendy Most

Our Mission: PWN of Durango presents the opportunity for women in the Four Corners to gather in a collaborative environment and make connections that inspire personal and professional growth, support business and personal goals, and enrich lives. We strive to empower women in business by providing a supportive community to learn from and lean on.

Our corporate sponsors are what keep PWN moving forward and allow us to bring in guest speakers and host events all year long. Please join our important work to advance women professionally in our community.
